Key Skills: STS Java Spring Boot
Internship - Full Stack Development in Spring Boot

PROJECTS

Gesture language Translator

07 Jun, 2021 - 02 Dec, 2022

Mentor: Rashmi Mahajan | **Team Size:** 4

Key Skills: Machine Learning Python Web Development

Gesture Language Translator for those who cannot speak. In order to remove the barrier between them and us we have created this web site.

Hand Wash Reminder Website

02 Aug, 2020 - 20 Jun, 2021

Mentor: Sandeep Shrivale | **Team Size:** 3

Key Skills: Proto.io PhpMyAdmin Web Development MySQL Front-End Web Development

Minor Project(College Course)

Created a Hand Wash Reminder Website which reminds people of washing their hands at regular intervals of around 30 minutes. Not only that people also get regular updates about the coronavirus news and about the details of hospitals that whether beds are available or not also whether vaccines are available or not. In this people get notified about the daily events of coronavirus cases and also get updates about the current situation which will be happening in and every state .It reminds at regular intervals to make people remind of washing their hands, this will keep them safe from coronavirus.It is a very useful and user friendly and user website
